at least, to be postponed, in the present condition of the finances of the State-

6 whether the course is absolutely necessary for the High Schools is one that is to be decided by the Administrative Branch- If such courses are not found in the School in Madras it is doubtful if they may be very useful as necessary here-

7 If the scheme is to come into effect it is for consideration if a smaller remuneration than 40 Rs per lecturer would not do perhaps a lump sum remuneration of 500 Rs for the whole course may be considered adequate-
